

**HONEYWELL FEDERAL MANUFACTURING & TECHNOLOGIES, LLC  
ADDITIONAL APPLICABLE FEDERAL ACQUISITION REGULATIONS  
(FAR), DEPARTMENT OF ENERGY ACQUISITION REGULATIONS  
(DEAR), AND OTHER GOVERNMENT DIRECTIVES INCORPORATED  
BY REFERENCE  
(Supplemental Terms 1612-03-20)**

**Effective: July 8, 2020**

The following updates reflect changes to various provisions and clauses of U.S. Government acquisition regulations including FAR and DEAR provisions/clauses incorporated by reference with the same force and effect as if they were given in full text. For FAR and DEAR provisions incorporated by reference, "Government" means "Buyer", "Contractor" means "Seller," "Contracting Officer" means "Buyer's Purchasing Representative," and "Subcontractor" means "Seller's Subcontractor" (unless expressly set forth otherwise below). DOE Directives incorporated by reference are available online at [directives.doe.gov](http://directives.doe.gov). The words "Government" and "Contracting Officer" do not change: (1) when a right, act, authorization or obligation can be granted or performed only by the Government or the prime contract Contracting Officer or duly authorized representative, such as in FAR 52.227-1 and FAR 52.227-2; (2) when title to subcontractor property is to be transferred directly to the Government; and (3) when information, data, and/or reports are to be transferred directly to the Government. Nothing in this Order grants Seller a direct right of action against the Government. Such provisions/clauses are identified below and elsewhere in this Order by their title, effectivity date, and reference where they appear in the FAR and/or DEAR. By this reference, said updates are incorporated in and made an integral part of the FM&T Terms and Conditions documents identified below.

**1. Update to 1662 Fixed Price Commercial Terms & Conditions:**

**Applicable to all orders regardless of amount:**

**...if seller is required to have DOE controlled or protected information, technologies, or equipment at their facilities or on their systems**
