

1. SHELF LIFE STORAGE AND NOTIFICATION REQUIREMENTS (Clause B-12.1) (August 2009)

Seller shall:

- Assure that shelf life material furnished by the Buyer, under this purchase order/contract, is stored in accordance with the material storage code requirements.
- Maintain a shelf life accountability information system to properly manage and maintain information concerning buyer furnished material with shelf life requirements.
- Request disposition instructions from the Buyer a minimum of forty five (45) days prior to material expiration date.
