

1. RELATED TOOLING PURCHASE ORDER/CONTRACT (Clause C-17.1)(April 1999)

Certain tools, gages and test equipment required for the performance of this purchase order/contract have been supplied to the Seller on purchase order/ contract . It is understood that if additional tools, gages or test equipment are required by the Seller and authorized by the Buyer, a new tooling purchase order/contract or a modification to the above purchase order/ contract will be negotiated.

Unless approved by the Buyer, gages and test equipment supplied by the Buyer and used to accept product hereunder shall not be revised, modified, or otherwise altered or adjusted by the Seller outside of the Buyer's operating instructions or calibration procedure.
