

**1. BAR CODE LABEL REQUIREMENT (PRODUCTION) (Clause D-11.02)
(December 2006)**

All shipments require bar code labels. Seller shall create and affix the bar code label on an outer side surface of the shipping container or firmly attach it in a visible location to the shipment. The preferred format is 3 of 9 (Code 39), with a minimum font size of 26. Bar code labels for production material require: FM&T Purchase Order No., Line-Schedule No., Part No., Quantity, and Unit of Measure. An example of this label may be viewed at <http://www.kcp.com/>, Supply Chain Mgt, Contract Clauses, Contract Clauses-Current, scroll down to D-11.03.
