

**1. VENDOR-BUILT TEST EQUIPMENT QUALITY REQUIREMENTS (Clause E-15.1)  
(December 2005)**

Seller shall, in fabricating the test equipment, follow the quality requirements set forth in the document entitled "SP-TE0104, Standard Practices, Vendor Built Test Equipment", issue "J", dated 07/06/2005, pages 01 through 36. The aforementioned document, which has been previously furnished to the Seller, is incorporated herein by reference with the same force and effect as if stated in full text.
