

1. SUBCONTRACTING PLAN AND REPORTING REQUIREMENTS (Clause G-23.1) (August 2016)

Subcontracting Plan

Seller's Subcontracting Plan, submitted with or negotiated as a part of its proposal and identified below, is incorporated herein by reference with the same force and effect as if stated in full text.

Reporting Requirements

The contractor's subcontracting plan shall include assurances that the offeror will (1) submit the Individual Subcontracting Reports and Summary Subcontracting Reports under the eSRS and (2) ensure that its subcontractors agree to submit Individual Subcontracting Reports and Summary Subcontracting Reports in eSRS.

The contractor shall provide such information that will allow lower tier subcontractors to fully comply with the statutory requirements of FAR 19.702.

Seller shall utilize the Electronic Subcontracting Reporting System (eSRS) at web site www.esrs.gov to register and to report the following data:

1. Subcontracting Reports for Individual Contracts shall be submitted semiannually covering the reporting periods October 01 through March 31 and April 01 through September 30, respectively. Data is to be submitted within 30 calendar days after the close of the reporting period.
2. Summary Subcontract Reports shall be submitted annually covering the reporting period October 01 through September 30. Data is to be submitted within 30 calendar days after the close of the reporting period.

Questions concerning subcontracting plans and reporting requirements may be submitted to:
