

1. DRINKING WATER AND TOILET FACILITIES (Clause C-21.1) (June 2023)

Seller shall be responsible for providing drinking water and toilet facilities for its employees and employees of subcontractors. Drinking water shall be adequate and clean per the requirements and recommendations of OSHA at 29 CFR 1926.51. Adequately serviced toilets of a type approved by the Buyer shall be provided on the basis of one closet space for every twenty persons or less.
