

1. SHIPPING INSTRUCTIONS -- HAZARDOUS MATERIALS (Clause D-13.1) (March 2021)

Seller shall comply with the provisions of the Toxic Substances Control Act (Public Law 94-469) as amended and all regulations issued thereunder, and warrants that each and every chemical substance delivered under this purchase order/contract conforms and complies with said Act and Regulations.

Seller shall furnish a Safety Data Sheet (OSHA form 20 or equivalent) for each item of hazardous or potentially hazardous material under this purchase order/contract. Seller shall show the Buyer's purchase order/contract number and part number or code on the Safety Data Sheet and attach it to the packing slip.

Seller shall comply with all applicable Department of Transportation regulations concerning the shipment of hazardous material.
