

## **1. ORDERING AND DELIVERY RELEASES -- UNFUNDED (Clause D-2.1) (March 2021)**

The total amount reflected on the face of this purchase order/contract is an "Estimated Amount" based on the Seller's fixed unit prices or other rates and the Buyer's estimated quantities shown in the item schedule or attachment to this purchase order/contract. These estimates are not a representation that the quantities will actually be required or ordered, or that the conditions affecting Buyer's estimated requirements will be consistent or normal. Further, the Buyer has no obligation to purchase any of the items or estimated quantities provided herein.

No funds are presently committed to this purchase/order contract for delivery or performance. Deliveries or performance, if any, shall be authorized and scheduled only through the issuance of individually funded written delivery releases to the Seller by the Buyer. The Buyer shall pay the Seller for only those purchase order/contract items or services actually delivered or performed by the Seller and authorized through the issuance of written delivery releases by the Buyer.
