

1. ISNetworld (Clause F-14.1) (September 2021)

Construction Subcontractors (Honeywell Level A) are required to subscribe to ISNet World (ISN) for qualification screening.

- a. Construction subcontractor's data in ISN shall be used to determine if the subcontractor has an acceptable rating for construction support at the KCNSC Campus.
- b. Construction subcontractor that have not subscribed to ISN may still bid on KCNSC projects. If the proposal submitted is determined to be the most favorable bid, a contract shall not be awarded until successful subscription is submitted and rated as acceptable by ISN.
- c. In emergency situations, construction subcontractors that have not subscribed to ISN may still bid on KCNSC projects after receiving KCNSC leadership approval. Construction subcontractor's qualification submittal will be evaluated based on the following:
 - 1) Experience Modifier Rate (EMR) for the current year and past two years from contractor's insurance carrier.
 - i. Less than 1.0 indicates a better than average performance.
 - ii. Greater than 1.0 indicates a poorer than average performance.
 - 2) Number of OSHA recordable injuries for the most current year Total Rate Case (TRC) and Days Away From Work Case (DAFWC).
 - 3) Bureau of Labor Statistics (BLS) data most currently available for the crafts being used (Contractor must be at or better than the national average).
- d. KCNSC will reimburse construction subcontractors up to \$3,000 for first time enrollment.
