

1. INTERNET PROTOCOL TECHNOLOGY IPv6 COMPLIANCE (Clause F-6.1) (February 2023)

This purchase order/contract involves the acquisition of Information Technology (IT) that uses Internet Protocol (IP) technology. The Seller agrees that: (1) all deliverables that involve IT that uses IP (products, services, software, etc.) will be capable of operating in an IPv6-only environment; and (2) compliance with IPv6 must be demonstrated through the USGv6 Test Program.
