

## **1. NOTICE OF BONDING REQUIREMENTS (Provision K-7.1) (April 2022)**

Bonds of the types and amounts identified in the article of terms and conditions entitled "Bonding Requirements" are required as a prerequisite to performing any work under this procurement. If requested by the buyer, offerors may be required to demonstrate the capacity to secure sufficient bonding during the proposal evaluation process. Failure to demonstrate bonding capacity satisfactory to the Buyer within the time frame requested, may render a proposal ineligible for further award consideration. Upon notice of award, bonds shall be properly executed on the forms (2571 and 2572) prescribed by the Buyer and shall be furnished within 10 days (unless a longer period is specifically allowed by the Buyer) from the date requested by the Buyer.
