

## **1. ADVANCE NOTIFICATION OF SHIPMENT TO BUYER (Clause D-19.1) (October 2023)**

On the date of shipment, Seller shall contact Buyer's Logistics Department (inboundequipment@kcncsc.doe.gov) to provide advance notice of the forthcoming shipment and make arrangements for any special handling equipment necessary to receive the shipment at Buyer's facility. Seller shall provide all shipping information such as size, number of containers, weight, carrier, freight bill number, purchase order/contract number, anticipated arrival date/time, and any special handling requirements.

Failure to give the above notification may result in receiving delays or require rescheduling of the delivery. Any excess freight, handling, demurrage, re-delivery, or other charges resulting from Seller's failure to provide timely notification will be borne by the Seller.
