

## **1. NOTICE OF SAFETY PRE-QUALIFICATION REQUIREMENTS (Provision K-8.1) (June 2023)**

Unless the Offeror/Quoter is currently a qualified construction general contractor, as defined in Section 1.7 of the Contractor Safety Handbook, the Offeror's/Quoter's proposal shall include all information required in Appendix H of the Contractor Safety Handbook, which is incorporated herein by reference with the same force and effect as if stated in full text.

Failure to provide the information/records required in Appendix H of the Contractor Safety Handbook may render the proposal/quotation ineligible for award consideration.

Subsequent to purchase order/contract award, performance of on-site work shall not begin until a site-specific Safety Plan has been approved by Buyer's HS&E Department.
